

LTE CRITICAL COMMUNICATION SUMMIT 2016

Hilton Hotel, Amsterdam, Netherland | 1st Jun. 2016 14:30pm-18:00pm

Dear Customer

We are excited to invite you to participate in the LTE Critical Communication Summit 2016, which is scheduled to be held in Amsterdam, Netherlands, on June 1, 2016, during the period of Critical Communication World 2016.

The event will bring senior representatives from a number of leading operators together to discuss dominant issues and opportunities of LTE Critical Communication industry. The discussion focuses on delivering the Mission Critical Service over LTE and its related areas such as Public Safety and Vertical Industry. In this meeting, you will also have the chance to experience the Trunking communication live service offered by TMNL LTE commercial network.

We look forward to seeing you in Amsterdam!

An Jian
President
Wireless Network Marketing & Solutions Sales, Huawei CNBG
